

FOR PARTNER CONTACT PERSONS AND INDIVIDUAL PARTNERS

1. Types of Personal Data collected:

- Contact information: Full name; date of birth; ID document number (Citizen Identification Card/ID Card) or personal identification number; job title; email address; work address; contact phone number.
- Professional qualifications, work experience, and practicing licenses (if applicable), in certain cases required to verify the Partner's suitability.
- Entry/exit information at the Company's premises.
- Sensitive Personal Data (if any) collected from audio/video recordings made by security cameras at the Company's premises; images of identity cards, Citizen Identification Cards, or ID Cards.
- Other Personal Data provided by the Partner during exchanges, cooperation, and the performance of contractual agreements.

1.1. Legal basis for processing Personal Data and purposes of processing Personal Data

To carry out purposes for which the law permits the processing of Personal Data without the consent of the Data Subject, including:

(a) To perform the agreement between the Company and the Partner:

- Verifying the Partner's suitability for the scope of cooperation.
- Contacting, exchanging, negotiating, and coordinating work between the Company and the Partner.
- Establishing, maintaining, and managing the cooperative relationship.
- Performing and managing related contracts and transactions.

(b) To perform the Company's legal obligations:

- Preparing, maintaining, and retaining records required by law.
- Complying with requests and decisions of competent authorities.
- Complying with legal regulations on tax management, accounting, and other relevant regulations.

(c) To protect the legitimate and lawful rights and interests of the Data Subject and/or the Company

- Ensuring security, safety, and order at the Company; protecting the lawful rights and interests of the Partner, the Company, and other related parties.
- Preventing, investigating, detecting, deterring, and handling crimes; mitigating legal risks relating to the Partner and the Company.
- Recording, controlling entry/exit, and monitoring via security camera systems.
- Protecting people and property, as well as the lawful rights and interests of the Partner, the Contact Person, and the Company during the course of cooperation.

(d) To respond to emergencies.

The processing of Personal Data under this section includes the transfer of Personal Data to a Personal Data Processor or to third parties (e.g., subcontractors) in order to carry out the purposes stated above.

In the course of its business operations, the Company may undertake forms of corporate reorganization, including but not limited to restructuring, division, separation, merger, or consolidation. In such cases, Personal Data and the rights to use related information may be transferred and/or continue to be processed to support the activities mentioned above, provided that no new data-processing purpose arises beyond those set out in Section 4.3.2 of this Policy.
